Sponsors need to have their logos to the Fruita Farmer's Market by May 1, 2010 to be included on the posters and rack cards.

Rack cards and posters will be distributed in Fruita, Loma, Mack and Grand Junction to a variety of businesses and lodging properties.

Title sponsor needs to provide the Market with two banners, one for the stage and one for the Fruita Farmer's Market information booth.

Monies from the sponsorships will be used for advertising, entertainment, any collateral the Market develops and for a market manager.

The Fruita Farmer's Market is the only market in the Grand Valley held on a lush green lawn instead of asphalt. Combining a comfortable setting with locally grown produce, outstanding arts & crafts and great entertainment, our market has become an event the city of Fruita can truly be proud of.

With your help the Fruita Farmers Market will continue to flourish and grow in the months and years ahead, and we sincerely thank you for your support.
